Section 1: Notices

Note: In a joint case, reference to a Debtor includes both Debtor 1 and Debtor 2. Whenever there are check boxes in this plan providing a choice, "None" or "Not included" will be presumed if no boxes are checked.

To Debtors: This form sets out permissible options for chapter 13 cases in the Northern District of California. The text of the provisions in this form plan may not be altered. Any nonstandard provision must be stated in § 10 of this plan and you must check "Included" in § 1.4 below. Any nonstandard provision placed elsewhere is ineffective. **Use of this form is mandatory.**

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney, if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

The following matters may be of particular importance. *Debtor must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not included" or if both boxes are checked or unchecked, the provision will be ineffective if set out later in the plan.* This may also be accomplished by a separately filed motion as indicated in the applicable section.

Section 3: Claims

Need to file proof of claim and determination of classification. A creditor, including a secured creditor, must file an allowable proof of claim in order to receive disbursements from the Trustee, whether or not this plan mentions the creditor's claim. Unless the court orders otherwise, the Trustee will make distributions only on filed proofs of claim. Unless the court orders otherwise, the proof of claim shall determine the amount and classification of a claim.

Section 4: Pre-confirmation adequate protection payments to secured creditors

☒ None. The rest of this claim provision need not be completed or reproduced.

Section 5: Treatment of Claims

Class 1: Secured claims on which Debtor had defaulted before the petition date. Debtor does not intend to alter terms except to cure arrears

☐ None. The rest of this claim provision need not be completed or reproduced.

Treatment:

- **Retention of lien and claimholder's rights.** A holder of a Class 1 claim will retain its lien until the underlying debt is paid in full under nonbankruptcy law. This plan does not modify the holder's rights other than by curing the default by paying the prepetition arrearage, i.e. the regular installments of principal, accrued and unpaid interest and other charges, such as attorney's fees, escrow, and collection costs, that became due before the petition date without regard for any acceleration.
- **Cure payments by the Trustee.** Unless a Class 1 creditor agrees to different treatment, the Trustee will make distributions to cure the prepetition arrearage. The Trustee will make monthly payments on each Class 1 claim that include interest on the arrearage at a 0% interest rate unless a different rate is stated below. Each Class 1 creditor shall apply these payments only to the prepetition arrearage. The Trustee shall make no payment to a creditor if there is no allowable filed proof of claim, or whose proof of claim states that the arrearage is \$0.00, none, or the like.
- **Postpetition maintenance payments.** Unless specifically noted otherwise in the box below, Debtor, and not the Trustee, shall pay directly to each Class 1 creditor or its agent each payment first becoming due without acceleration after the petition date ("postpetition installments"), as authorized under the applicable agreement and law, but the amount of the postpetition installments shall be determined as if the claim was not in default on the petition date. Each Class 1 creditor must apply the postpetition installments only to the debtor's postpetition obligations.

- the court shall be empowered to enforce Bankruptcy Rule 3002.1; and to provide any other relief necessary to effectuate this plan, the orderly administration of this case, and the protection of property of Debtor and property of the estate.

Section 9: Miscellaneous Provisions

9.1 Direct Secured Debt Payments. Unless the court otherwise orders, if Debtor elects to pay installment payments directly to the lender(s) on real property secured debt that is in default on the filing date, Debtor shall file a declaration under penalty of perjury on each anniversary of the plan's confirmation of having made those payments and shall serve each declaration on the Trustee.

9.2 Limited stay relief. Notwithstanding 11 U.S.C. §§ 362 and 1301, any secured creditor may transmit to Debtor and codebtor payment coupon books and other statements, notices of payment changes or interest rate changes, escrow account statements, and other statements concerning postpetition obligations, if such documents conform to bankruptcy-specific forms required by a federal statute, regulation, or rule, or contain a conspicuous disclaimer that they are being provided for informational purposes only and are not a demand for payment.

9.3 Effect of relief from automatic and codebtor stays. As soon as practicable after the Trustee receives notice of an order granting relief from stay, the Trustee shall cease making distributions on all claims secured by such collateral, unless the court orders otherwise.

9.4 Distribution of plan payment by the Trustee in non-conduit cases. Debtor's monthly plan payment must be sufficient to pay in full: (a) Trustee's fees, (b) the monthly dividends specified in Section 6 for Debtor's attorney's fees and administrative expenses, (c) the monthly dividends payable on account of Class 1, 2, 3, 5, and 6 claims, and executory contract and unexpired lease arrearage claims.

If Debtor tenders a partial monthly plan payment to the Trustee, the Trustee shall pay, to the extent possible, such fees, expenses, and claims in the order specified in the paragraph above. Once a monthly plan payment, or a portion thereof, is not needed to pay a monthly dividend because a fee, expense, or claim is not allowed or has been paid in full, such plan payment shall be paid pro rata, based on claim balance, to holders of: first, Debtor's attorney's fees, and administrative expenses in Section 6; second, claims in Classes 1, 2, 3, 5, and 6, and executory contract and unexpired lease arrearage claims; third, priority claims in Classes 9, 10, 11, 12; fourth, unsecured claims in Class 13; and fifth, unsecured claims in Class 14.
